

For **tracks,**
arenas,
infields and more...
this is a **winner!**

Our Safe Guard Stadiums products offer clean, safe, durable and eco-friendly solutions for all of your infield, stadium or equestrian needs. They won't deteriorate, can be used indoors or out-and provide safe cushioning, superior drainage and very low maintenance!

Whether you need a strong, unified, and impact-absorbing surface for horse riding, or a long-lasting, antimicrobial infield for stadiums or arenas, go with a proven winner. All Safe Guard products come with installation that's backed by a five-year guarantee!

- Improves footing, absorbs impact
- Controls dust
- Environmentally safe, non-toxic
- Doesn't freeze
- Increases training time, decreases cost of maintenance
- Installation is backed by a 5-year guarantee
